

GOVERNMENT TRAINS GUNS ON THE COAL BARONS

Interstate Commerce Committee of Senate Will Demand Production and Transportation Costs Of Coal, Steel, Copper and other Basic Commodities Used in War.

FEDERAL TRADE COMMISSION WILL BE ASKED TO FIX PRICE OF STEEL AND IRON

Government Has Power to Commandeer Plants If Big Business Heads Don't Comply With Request Or Price Agreement.

FEDERAL PROBE LAUNCHED

WASHINGTON, June 22.—(Associated Press Dispatch)—Inquiry into production prices and transportation of coal, steel, copper and other basic materials over which Government supervision during the war may be proposed, was decided upon today by the Senate Inter-State Commerce Committee.

Coal will be the first subject taken up next Tuesday. Chairman Newlands explained that as present legislation contemplated only control of food, the committee will consider whether such control should be extended to coal, iron, steel and their products and other raw materials, as well as their transportation.

TRADE COMMISSION IS ASKED TO FIX UNIFORM COST PRICE

WASHINGTON, June 22.—(Associated Press Dispatch)—The Federal Trade Commission soon will be asked by President Denman of the Emergency Fleet Corporation to fix a uniform price for steel and steel products for all industries throughout the country.

The commission will be asked to name a fair price which will afford the producers a fair profit, not only on steel but on pig iron, iron ore and every other material entering into the manufacture of steel.

The method of procedure will be for the commission to suggest to all iron and steel manufacturers and ore producers that they unite and name a price themselves, subject to the commission's approval.

Should they decline to adopt this course, the Government has power to commandeer the plants.

HEAVY ARTILLERY DUELS ON ALONG FRENCH BATTLE-FRONT

French Fire Breaks Up Determined Attack by Troops of Crown Prince.

By Associated Press Dispatch.
The engagement between the French and Germans, which was opened Wednesday by a German attack near Vauxaillon, southeast of Laon, is being continued spiritedly by the artillery, the infantry fighting having temporarily died down.

Paris today reports an extension of the artillery duel eastward from Vauxaillon.

The infantry battle, after initial successes for the German Crown Prince, came to a halt after his troops had lost virtually everything they had gained. Only one small salient remained to the Germans.

Resumption of attacks by one side or the other along a much wider front appears an early probability.

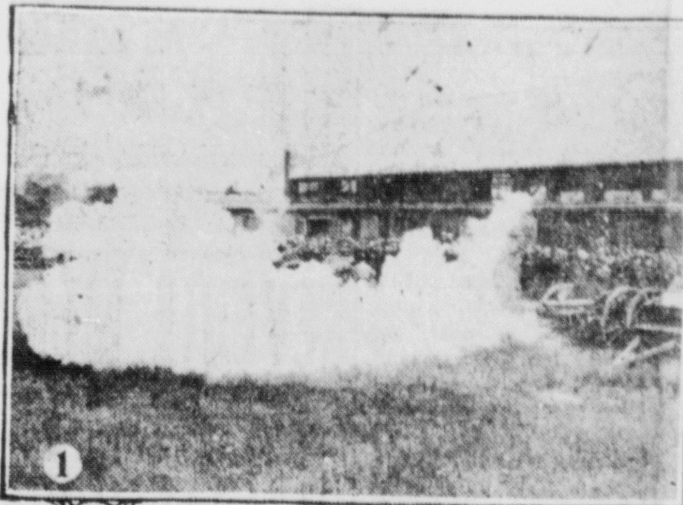

AWFUL ACT OF FARM HAND

By Associated Press Dispatch.
Watertown, New York, June 22.—As the result of an outbreak on the part of Frank Driggs, a farm hand, who is believed to be demented, four persons are dead today at the Buck farm, near Stockholm, St. Lawrence county.

The tragedy occurred last night. Driggs using a rifle in his attack. The victims were Henry Ladue, 45; his brother, James, 48; Mrs. Josephine Rogers, 40, and Dr. Theron Jenkins, who had been called to the house to administer to Driggs professionally.

Driggs, who is 25 years old, had been subjected to fits of melancholia for some time and is believed to have suddenly become mentally unbalanced.

YALE DEDICATES ARTILLERY ARMORY AND PAYS TRIBUTE

The chief event of Yale university's wartime commencement program from the graduate point of view on alumni day was of a patriotic nature after the dedication of the Yale artillery armory at Yale bowl, when the graduates assembled by classes on the college campus. With Captain Waldo C. Potter, U. S.

A. as marshal, a column was formed followed by President Hadley, members of the corporation university officers, guests and alumni, and all marched past the university memorials erected to Yale men who have lost their lives in various wars.

The armory, begun just after the war department authorized the raising of the Yale batteries during the Mexican border troubles last year, is on part of a tract of land acquired for athletics. Its cost has been met by graduates under direction of Anson C. Goodyear, '99.

In the pictures are scenes attending the dedication of the armory. No. 1, shows the firing of a salute at the armory; No. 2, Captain R. M. Danford, U. S. A., in command of the Yale batteries; President Hadley of Yale and Major General Clarence R. Edwards, commanding the northeastern department of the army; No. 3, part of the procession.

BOND ISSUE OF \$400,000 FOR NEW TRACTION

Hillsboro to Chillicothe Electric Railway Assumes More Business-like Aspect.

By Associated Press Dispatch.
Columbus, O., June 22.—The Hillsboro, Cynthiana, Bainbridge & Chillicothe Railway applied to the Public Utilities Commission today for authority to issue \$400,000 additional bonds; which it purposes to use for increased cost of construction work not provided for in a previous issue of securities.

The company's right of way is along the Chillicothe cantonment site, where increased facilities are to be provided and for which the additional securities are sought.

PRO-GERMAN GREEKS SENT

(Associated Press Cable.)
Paris, June 22.—A dispatch to the Havas Agency from Athens says that former Premier Gounaris, with thirty other prominent Greeks who were ordered expelled from Greece, including M. Dragoumis, son of ex-Premier

Dragoumis and one Minister to Petrograd, embarked today.

A delayed dispatch from Athens received in the United States Thursday announced the intended expulsion of a large number of prominent Greeks of pro-German leanings.

The dispatch said that they would be removed from Athens or wherever they resided to places from which escape would be impossible.

BATTLE LINES ON FOOD BILL FIGHT DRAWN

Administration Supporters Lay Plan to Insure Passage of Last Bill in Addition to First.

By Associated Press Dispatch.
Washington, June 22.—Administration supporters of the food bills rearranged their battle lines today, to make sure that the Senate does not kill the second bill on the ground that the first bill is enough.

House leaders today decided to let the first bill remain in its present stage, and thus force the Senate to enact all the program before any of it gets to the critical stage of conference between the two houses.

Should House leaders be able to delay the appointment of conferees on the first bill until after passage of the second by both houses they expected to get most of the Administration's program on the statute books.

THE ETERNAL TRIANGLE IS IN EVIDENCE

Love-mad Wisconsin Girl Expected to Recover From the Wounds Self-inflicted Unusual Tragedy.

By Associated Press Dispatch.
Waukesha, Wisconsin, June 22.—Miss Grace Lusk, high school teacher, who yesterday shot and instantly killed Mrs. Roberts, wife of Dr. David Roberts, former State Veterinarian, and then tried to kill herself, by sending two bullets into her body, probably will recover, physicians said today.

Dr. Roberts, who arrived at the house after the shooting, asked Miss Lusk why she had killed his wife.

"I didn't intend to, but lost my head when she said I couldn't have you," she replied.

To Chief of Police McKay, who had been summoned after the shooting, Miss Lusk said:

"I loved Dr. Roberts, and I want him now and always."

Mrs. Roberts went to the home of Miss Mills, where Miss Lusk lived, to keep an appointment with the latter.

After Mrs. Roberts reached the Mills residence, she called her husband on the telephone and asked that he come and be present at a conference between herself and Miss Lusk.

When he reached the house, fifteen minutes later, he found his wife dead. Miss Lusk locked herself in a room and resisted arrest for an hour. When further resistance appeared useless, she shot herself twice.

Coal Dealers of Ohio Called Into Conference By Governor Cox, Who Declares He Will Go To The Bottom of Present Coal Shortage and High Prices.

"CAN'T EXPECT BOYS TO GO TO FRONT AND FAMILIES FREEZE NEXT WINTER"

Railroad Heads Also Expected to be Present at Conference Called For Friday, June 29—Must Settle Supply and Price.

COLUMBUS, O., June 22.—(Associated Press Dispatch)—Declaring that "we cannot expect our boys to go to the front and then let their families freeze next winter," Governor Cox this morning announced that he has called a conference of coal operators for Friday, June 29, with the object of working out, for the purpose, some improvement in the present situation as to demand and price of coal.

While the chief executive does not say what he believes is contributing to high coal prices, he remarked in a statement that "people expect the Government to protect them against unnecessary conditions growing out of either commercial conspiracy or delinquent service by the railroads."

A. A. Augustus, of Cleveland, president of the Cambridge Collieries Company, of Guernsey County, and a member of the Governor's War Cabinet, will be chairman of the meeting.

Coal operators of the State will attend. In addition, the Governor said railroad officials are expected to take part in the conference.

These include G. L. Peck, vice president of the Pennsylvania Lines, Pittsburg; J. W. Roberts, superintendent of freight transportation, Pennsylvania Lines, Pittsburg; A. W. Thompson, traffic vice president, Baltimore & Ohio Railroad, Baltimore; W. M. Duncan, president of the Wheeling & Lake Erie Railroad, of Cleveland.

"It is unnecessary to elaborate upon the conditions as to scarcity and price of coal," said the Governor in a statement when he announced the conference. "There are so many conflicting contentions as to the cause of it all, that we deem it necessary to go to the bottom of the whole situation."

SAYS SHIP SUNK SUB

By Associated Press Dispatch.
AN ATLANTIC PORT, JUNE 22.—CAPTAIN JESSE FOSTER, OF BALTIMORE, COMMANDER OF A GARLAND LINE STEAMER, SAID TODAY THAT HE BELIEVED HIS SHIP HAD SUNK A U-BOAT ON JUNE 4, WHEN TWO DAYS OUT FROM LIVERPOOL, ENGLAND, ENROUTE TO AN AMERICAN PORT.

BEYOND THIS STATEMENT, THE CAPTAIN WOULD NOT GIVE ANY FURTHER INFORMATION.

BIG DRIVE FOR \$100,000,000 NEARING END

By Associated Press Dispatch.
Washington, June 22.—With the hundred million dollars for humanity almost in sight, the Red Cross War Council realized today that the last stretch of the great financial campaign is going to be the hardest.

The latest figures at noon today, showed the grand total of cities to

be \$62,284,982, with New York City's total standing at \$26,862,862.

The contest between Chicago and Cleveland for second place was the spectacular feature of the day's report.

Chicago still held her lead, but by a small margin. Chicago's figures totaled \$3,414,134, and those of Cleveland, \$3,240,505.

Ohio maintained her lead among the states, not counting New York City's contribution.

St. Louis and Cincinnati still keep up their race, both jumping over the million mark yesterday.

FAILS TO FORM NEW CABINET

(Associated Press Cable.)
Amsterdam, June 22.—Count Clamartine, Premier of the Austrian Cabinet which recently resigned, has failed in his attempts to reconstruct the Ministry, according to a dispatch from Vienna.

The Count has asked Emperor Charles to invite some one else to form a cabinet.

KANSAS CROP IS IMPROVING

By Associated Press Dispatch.
Topeka, Kansas, June 22.—A total production of 42,000,000 bushels of winter wheat in Kansas this year, 2,000,000 bushels more than the May estimate, was forecast in the June crop report issued by the State Board of Agriculture today.

WONDERLAND

PARAMOUNT Lou Tellegan as a Young British Officer in PARAMOUNT

"Victoria Cross"

A great military drama and ably supported by Cleo Ridgely and Sessue Hayakawa will be shown today. Bound to be a good picture with three such good stars.

TOMORROW, SATURDAY,

All who love to laugh and enjoy good comedies will find several good comedies, a cartoon and an educational picture making up a program well worth their while.

Next Wednesday, "The Traveling Salesman"

A remarkable mixture of comedy and drama, and played by Frank McIntyre and James O'Neill.

Friday, Vivian Martin in "The Right Direction"

STIMSON ROOM IS SELECTED FOR WORKSHOP

A Few Are Appointed to Head Committees—Duties of Committees Are Defined—Special War Fund Committee to Become Active Soon.

The large room on the first floor of the Stimson annex to the Y. M. C. A. was selected, from all the rooms offered to the local Red Cross, as a temporary workshop. The location on the ground and the extra good lighting facilities were factors, that caused the committee to accept this room.

Within a few days, the room, which is being used by the younger boys as a gameroom, will be vacated, and sewing machines and cutting tables will be installed.

Mrs. Fannie Schweitzer was appointed to head the Workshop Committee and Miss Marie Lanum will be vice-chairman. They will enlist the services of the other women interested and together they will begin the work of making hospital supplies.

A purchasing committee composed of Messrs. D. S. Craig, Jess Smith and Renick Boggs was appointed. They will have full charge of the purchasing of materials for the workshop.

Mrs. C. Howard Griffin was selected to head the Financial Committee. She was empowered to select her own assistants. The duties of this committee will be the raising of money, other than from memberships to finance the workshop.

Definite appointments to the War Fund Committee have not been made as yet. This is perhaps the most important and responsible committee that is to begin work at once. They will co-operate with the National War Fund Committee in raising Washington's part of the \$100,000,000 set as a goal for the emergency fund by the Red Cross.

The War Fund is separate from the membership and special work shop fund while only a per cent of the money raised from membership subscriptions is turned over to the national organization, the Red Cross has taken up the work of raising this \$100,000,000 emergency War Fund apart from the memberships. Those who are already members will be asked to subscribe to this great fund. None of the money raised by the War Fund Committee will go into the local treasury.

A permanent membership committee will be appointed later when the work of raising the war fund has been started.

The time has not been definitely set for "Red Cross Week," but it will follow as soon as the machinery of the local organization is set going.

SEARS-NICHOLS COMPANY WORK FULL FORCE NOW

The Sears-Nichols Canning Company, under the management of H. J. Bliss, formerly of Chillicothe, began the work of canning the extra large crop of peas, raised in the county this year, last Tuesday morning. Sixty men are employed at the present time at the plant, and they are expecting to work overtime, beginning next week. The capacity of the company is 1500 cases or 36,000 cans daily.

The crop this year is of unusually good quality. So far all have gone

into "Sugar Loaf" brand, the best grade product of the company.

Sub-stations have been established about the county where the peas are harvested near the fields and hauled to the plant here, by motor trucks. This system makes a considerable saving of time and labor.

A good crop of sweet corn is expected for this season. More than 1300 acres have been contracted for about the county. The work of handling the corn will follow shortly after the peas are taken care of.

The local company will also can beans, succotash, and pumpkin.

MAKING HEADWAY ON FAYETTE ST.

The contractors are now making rapid headway on the South Fayette street paving work, the concrete base having been completed to the plant of the Washington Milling Company, and the brick laid as far as the bridge over Paint creek.

Within the next few days the concrete base will be finished and by the first of July the remainder of the brick will be laid, weather permitting, so that the street should be open to traffic by the middle of the coming month.

The improvement will be one of the most beneficial in the city, as a large amount of traffic passes over this thoroughfare, and for the past year or two it has been anything else but a desirable roadway.

It will be about August first before the paving on the Chillicothe pike is finished, and that artery of traffic thrown open to the public.

XENIA LINE-UP

The following line-up and battery has been submitted by manager Stiles of the Xenia Reserves, to be followed in the game next Sunday: Stiles 2b, Tucker rf, Leahey ss, Weaver 3b, Bath 1b, Free p, L. Fuller cf, Weller c, R. Fuller lf, Derrick sub-fielder.

Manager Stiles says that this is the strongest line-up that has ever represented the club. Free has shown his ability to "come back" in the past few games.

The Xenia Reserves have won six of the eight games played this year. Last Sunday Free held the Garfields down to 4 hits.

MT. OLIVE CHURCH

Children's day will be observed at Mt. Olive M. P. Church Sunday evening at 7:30 and elaborate arrangements are being made for the event.

NEW PASTOR FOR GREENFIELD CHURCH

Rev. Leo W. Brown, of the Moody Bible Institute, Chicago, has accepted the call to the pastorate of the First Baptist church in Greenfield, and will take up his work August 1st. Rev. Brown has been preaching for a number of years.

Have You Thought?

We are living in a wonderful time. Had you stopped to think of that?

As one man expressed it we are making history every day and every hour and not only on the field of battle is history being made. As a matter of fact the history which the great war is making, in its direct results, is the most inconsequential of all the great change taking place. The map of the world—the shifting, either temporary or permanent, of boundary lines, does not signify nearly so much as the causes underlying the conflict and the tremendous changes occurring every day in civil life. In thought and action, in the realm of government, in ideals and ambitions, the whole course seems to be shifting about. Men change their opinions over night which, in itself, is an indisputable evidence of progress.

In political affairs, party lines are fast disappearing. Changes of position among party leaders are so marked and so rapid as to forecast a complete obliteration of party lines in the near future. Bigger and more important issues involved in the present crisis, as well as questions affecting, fundamentally, the whole governmental fabric, are pressing for solution.

Some of the most ardent supporters of President Wilson are the men who have, heretofore, been his most pronounced political opponents, while among those who oppose him now are to be found those who have heretofore, been his staunchest political supporters.

Party affiliation, great chains which held men secure in bondage, before the present crisis came about, have now become mere weakened threads which are noiselessly parted by the thoughts of patriotic men seeking the better way.

Yes, this is a wonderful time.

The Aeroplane Fleet

Is the war to be settled by conflicts in the air? That's the question which presents itself when we realize that the United States is to build thousands of aeroplanes.

Every possible resource of Great Britain, France, Italy and the United States is to be devoted to the building of air craft—the scouting 'planes, the armed 'planes to do battle in the air and the bomb carrying 'planes to drop explosives behind the enemy's lines.

It begins to look, after all, like the British grand fleet which has so long stood guard outside the harbor of Kiel, unable to pass the frowning guns of Heligoland but, nevertheless, keeping the German navy securely bottled up, was to have an assistant in breaking up the great base from which the submarines are sent to prey upon the commerce of the world.

If the air fleet can "bomb" the sea fighters of Germany out of Kiel the mine sweepers can clear the path for the B.L. ships to get in and destroy the submarine base. May be that plan is to be tested out.

Day by day the impression has grown that if the submarines are to be conquered it must be by destruction of the bases. Like a campaign against rats these rodents of the sea must be exterminated by striking at and destroying the nest which hatches and feeds them.

Perhaps the aeroplane fleet may accomplish what the grand fleet of Great Britain has failed to accomplish.

Government Control

Step by step we are approaching government ownership or government control of coal and oil producing properties and transportation facilities.

Unless there is a marked change for the better in fuel prices and supply and in transportation there seems no alternative. Conditions which for nearly a year have been almost intolerable for the private consumer have spread until now the great industries of the land are feeling keenly their paralyzing effect.

Whether the regrettable conditions are the result of illegal combination or other violation of law or whether they are the result of the inability of individual and private corporations to rise equal to the enormous task imposed upon them is not now important.

It is the effect which must be corrected and that, too, promptly unless both the nation and the individual are to suffer irreparably.

From no less an authoritative and responsible source than the Federal Trades Commission has come the recommendation that government pools of coal production and distribution and control of water and rail transportation is the only means of avoiding a coal famine next winter.

Only a few months ago the people of the United States would have looked upon such a suggestion as an impractical socialistic dream and, at that time, it would have been.

During the last few months, though, we have not been drifting, we have been rushing pell mell toward conditions which make drastic changes not only matters for serious consideration but, apparently, the only remedy.

Poetry For Today

THE VOICE OF THE FLAG

Voice of the Flag, in my heart I hear thee—
Hear thee plead for this land of mine.
Voice of the flag, let my own voice
echo—
Echo and thrill with thy speech divine!

"I am the sole of the regnant People;
I am the dream of their years to be;
I am their guidon of Independence;
I am their right on the neutral sea.

"I am the symbol of human justice;
I am the sign of the People's will;
I am the flame of the Lamp of Freedom.

Beaconing lands in the shadow still

"Borne in the glory of stainless honor,
I am the standard that makes you free!

All that our land, in its lavish bounty,
Gave ye, it gave as a loan from me!

"Ye who have pledged me life and fortune,
Never, I ween, shall I find ye slack.
Ye whom I bless with the nation's treasures,

Say in my need, will ye give them back?

"Aye, ye will give as your fathers gave me—

Give as your mothers, who gave their all;

Give of your best in sublime devotion—

Give, that your banner may never fall!

I am the doom of the sceptered tyrant!

I am the spread of the wings of the morn

Heralding Day of the Sun of Justice

Over a world to Peace reborn—

"Peace of an all-pervading conscience—

Peace that melteth the savage sword—

Peace on earth, as the Father willeth—

Peace! triumphant in Christ, the Lord!"

—Leslie's.

ARE WORKING CORN THE SECOND TIME

A great many farmers in Fayette county are now working their corn over the second time, or cultivating it the second time, while others are still at work on the first plowing.

The recent hot days have worked wonders with the corn, and it has been growing at a surprisingly rapid rate.

Corn planting was completed last week, but replanting has been under way for the past two weeks or longer and along more extensive lines than ever before, the high price and realization of the importance of this work resulting in an effort to have a hill growing wherever a hill should be.

Mr. Frank E. Haines went to Sulphur Lick Springs Friday for a week's stay.

DRY FEDERATION FILES PETITION WITH 1043 NAMES

Part of the petitions circulated by the Fayette Dry Federation have been filed with the State Headquarters of the National Dry Federation, and, although several of the petitions have not yet been turned in, the number of signatures amounted to 1043, and it is believed by the dry workers that the number will be raised to near the 1500 mark before the final petitions are forwarded to state headquarters.

The petition bearers speak of the enthusiasm which they encountered throughout the county, and many persons who never before voted dry expressed the hope that the fight this year would be successful and that it was their belief that now is the time to vote the saloon out of the state and nation.

Not only do the workers find more enthusiasm than in previous years, but the federation members themselves are entering the fight with increased zeal and the confidence of winning the victory at the coming election.

A member of the Federation who is in close touch with affairs declares that the vote in Fayette county will be far greater than ever before in asking that the saloon go.

Since the election last year the conviction that the fight would be won this year has been growing, and this confidence and conviction is by no means confined to Fayette county, but to the state in general.

COMING ATTRACTION GLEE CLUB CONCERT

A coming musical attraction is a concert to be given by the Muskingum College Glee Club quartette at First Presbyterian Church, Thursday night, July the fifth.

Dr. Montgomery, President of the College desires to bring Muskingum College into closer touch with this section of the state and is sending out this quartet of talented young men on a concert tour.

The singers are pronounced exceptionally good and offer a versatile program.

There will be no admission but in all probability a free will offering will meet the expenses of the boys.

IN SOCIAL CIRCLES

A perfect June day was granted to
Mrs. Lucy Ginn and daughter, Miss
Helen, charming hostesses at an ex-
tremely pretty tea Thursday after-
noon to introduce their guest, Miss
Maude Snyder, of Carey, Ohio.

The spacious rooms of the hand-
some home were radiant with June
roses filling vases and baskets in
artistic arrangement. One particu-
larly effective basket was of purple
clematis and deep pink roses.

The tea table was adorned with
gorgeous Jacqueminot roses and in
harmonious blend were variegated
roses on the buffet and serving ta-
bles.

Mrs. Harlow T. Wilkin poured and
Mrs. Daniel T. McLean and Miss
Katharine Irions assisted in serving
the delicacies of the tea table.

Mrs. Ginn gave delightfully cordial
greeting wearing a graceful gown of
grey and white striped silk, with
grey georgette sleeves and touches
of purple velvet.

Miss Ginn was smartly attired in
a dainty embroidered gown of white
georgette crepe singularly becoming
to her fair type.

Miss Snyder an attractive blonde,
was also in white, her gown and elab-
orate creation of white net over
taffeta, with pipings and ruchings of
taffeta.

Both matron and maids were in-
cluded in the guests numbering near-
ly a hundred.

Mrs. Sidney Knight, of Columbus,
and Mrs. Lucian Wells, of Catawba,
Va., were guests from a distance.

Mr. and Mrs. Ed Fite are the guests
of Mr. and Mrs. Milton McKay, in
Xenia, to attend a dinner which the
McKays are giving. Mrs. McKay and
Mrs. Fite were O. W. U. school friends
and also included among the guests

were two other college friends, one
from New York and Mrs. Clarence
Frazer of Xenia.

The hospitable home of Dr. and
Mrs. A. A. Hyer was thrown open
Wednesday afternoon for a most de-
lightful family gathering in honor of
Mr. W. B. Hyer and his pretty young
bride.

Relatives on both sides of the house
convened with the double purpose of
giving their best wishes to the bride-
groom, who wears the khaki, and
will soon leave with Company M for
active service, and of meeting the
girl of his choice.

They showered the young couple
with beautiful gifts which will be
treasured souvenirs of the happy oc-
casion. A gift especially appropriate
was a piece of linen spun by Dr.
Hyer's mother, seventy years ago, and
made into a center piece and em-
brodered by the bridegroom's sister,
Mrs. Lang Johnson, of Columbus.

The note of patriotism dominated
the decorations. Flags draped the
doorways and red and white flowers
were used.

Misses Fannie Hyer and Mabel Lar-
rimer assisted Mrs. Hyer in serving
dainty refreshments.

Among the thirty guests there were
present from out of town: Mrs. Em-
ma White and Miss Mildred White
of Greenfield; Mr. J. W. Cockerill and
family of Cochran; Mr. Thos. Edison,
Mrs. Homer Ruley, of Columbus; Mr.
and Mrs. Robert White, East Monroe;
Mr. and Mrs. J. P. Hyer, Selden; Mrs.
Elisha Taylor and family, west of
town.

Mr. and Mrs. David Haines of the
Circleville pike entertained at their
beautiful country home with an elab-
orate four-course dinner, Friday.

The table was artistically decorat-
ed with large bowls of pink and

white roses with greenery, and cov-
ers were laid for ten.

Following were the dinner guests:
Dr. and Mrs. Le Bryan and son, Hol-
dren, of Los Angeles, Cal.; Theodore
Morgan of Marion, Ohio; Mr. and
Mrs. W. C. Eyre, Mr. and Mrs. R. P.
Todhunter, Mr. and Mrs. Harry
Backenstoe and son Emmet, and Mr.
and Mrs. Harry Coventry of this
city.

A missionary meeting of both pleas-
ure and interest was enjoyed by the
women of the Presbyterian church at
the home of Mrs. Cary Persinger
Thursday afternoon.

Assisting Mrs. Persinger as hostess-
es were Mesdames Regina Staubs,
Marion Dunlap, Creath, Ballard, Wilt,
Tewalt, Will Klever, Walter Sprenger,
Howat, Mortimer Clasgens, Os. Ken-
nedy, Chas. Gage, George Bryant,
Thomas Hall, Harry Roberts, Misses
Etta McHenry and Rose McLean.

The opening services led by the
president, Mrs. A. F. Hopkins, was
made of interest by the introduction
of pertinent matters; reports of offi-
cers and plans for work ahead. In
both Home and Foreign work it is
aimed to do a big work. It was voted
to send a greeting of remembrance to
Mrs. J. H. Williams, an active mem-
ber, who will be greatly missed.

Mrs. Mary Rodgers was leader of
the program. A fine paper on "Alas-
ka" covering its wonderful process of
unfolding, written by Miss Blanche
Tullis, was read by Mrs. Staubs.

Mrs. Wm. Pyley handled "The
Condition of Asiatics in the
United States" in a most in-
teresting way and Mrs. Fred D. Wool-
lard presented an excellent paper on
"A Hindu Mission in California."

Miss Mary Persinger added to the
program a beautiful piano solo,
"Whispering Woods."

Miss Johns, of Wilmington, and
Mrs. Harrison of Piqua, were out of
town guests.

Giving a most delightful opportu-
nity to renew former friendships, Mrs.
H. C. Ireland informally entertained
two tables of Bridge Friday afternoon
in honor of Mrs. Lucian Wells, of
Catawba, Va. The guests were con-
fined to most intimate friends of Mrs.
Wells.

Mrs. H. E. Daugherty pleasantly
entertained the young matrons of the
Wednesday and Thursday Auction
Bridge clubs.

Mrs. Lucian Wells, of Catawba, Va.,
was an eagerly welcomed guest.

Rev. Wm. Boynton Gage entertain-
ed girls and boys of his church who
have been in regular church attend-

ance the past four months with a
very jolly picnic on the beautiful
Cherry Hill grounds Thursday after-
noon.

The young people enjoyed a round
of out door games and a delicious pic-
nic supper, supplemented with ice
cream, lemonade and all the acces-
sories.

Members of the Pastors' Aid com-
mittee assisted Rev. Gage.

PERSONALS

* Mrs. J. D. Weagley will spend a
week visiting relatives in Kenton and
Cleveland.

Mrs. E. V. Boyd left today for Hills-
boro to visit her parents.

* Mrs. H. L. Armstrong of Chicago,
is the guest of her uncle, Mr. Charles
U. Armstrong, and family.

Thursday at Maple Grove Springs
and brought home Mr. and Mrs. M.
J. Hagerty who have been spending
the past week there.

Miss Ruth Teeters an Ohio Univer-
sity graduate, and sister, Miss Helen,
who joined her for the commence-
ment season, return home Saturday,
remaining over for various affairs
in connection with the close of the
University. Dr. C. A. Teeters, who
also attended the commencement has
returned.

Miss Jennie Johns, of Wilmington,
is the guest of Mrs. Robert Howat
and Miss Rose McLean.

Miss Evelyn Ross arrived from Col-
umbus Friday to be the guest of
Miss Helen Harper.

Mr. Wilbur Collins and niece, Mrs.
Frances Schlessenger, returned Fri-
day morning from a visit with rela-
tives in Chicago. Mrs. Schlessenger
brought back her little niece,
Josephine Schnarke, for a visit.

Janet Daugherty, the little daugh-
ter of Mr. and Mrs. H. E. Daugh-

erty, is spending the week with her
grand mother, Mrs. D. W. Martin, in
Dayton.

Mr. and Mrs. W. Holloway, of To-
peka, Kansas, Mr. and Mrs. T. J.
French, and Mrs. David Wells, of
Zanesville, Ohio, were guests of A. L.
French, and Mrs. David Wells, of
avenue this week. They also visited
relatives at Jeffersonville.

Mr. John Haggard motored to Cir-
cleville, Friday, to bring back Mrs.
Haggard who has been the guest of
her sisters the past several days.

HEADLIGHT LAW IS EFFECTIVE JULY 1

Washington and Fayette county resi-
dents as well as all residents of Ohio
will be deeply interested in the law
which becomes effective July 1 and
provides that all automobile head-
lights shall be dimmed or the owner
of the machine fined for operating his
machine when the lights are not prop-
erly dimmed.

The new law reads:
"It shall be unlawful for any person
to drive or propel any automobile or
other vehicle, upon the public high-
ways of the State in the night season,

if said vehicle is equipped with any
acetylene, electric or other brilliant
headlight, or any other light, the rays
of which shall be intensified by any
parabolic or condensing reflector, un-
less such headlight or other light
when approaching another automobile
or vehicle at a distance of not less
than seven hundred feet, shall be di-
mmed, controlled, deflected or so ad-
justed that at a distance of two hun-
dred feet, or more, in front of such
vehicle, no part of the intensified rays
of light shall be visible more than
three and one-half feet above the sur-
face of the highway, and remain so
until the approaching vehicle passes
by. Any person guilty of such unlaw-
ful act, upon conviction thereof, shall
be fined not more than \$25 for the
first offense and not less than \$50
nor more than \$100 for the second of-
fense."

A New York clergyman states the
issue aliteratively: "The demolition
of devilry and the dominance of de-
mocracy."—Columbus Dispatch.

The Germans are bombarding the
English watering places ahead of
time this year. The women and chil-
dren haven't arrived yet.—St. Louis
Post-Dispatch.

DALE On the Alley

SAN CARLO GRAND OPERA COMPANY IS CROWNING NUMBER

Monster Audience Enjoys Grand Opera Presented in Faultless Manner by Grand Opera Leaders—"Fi-Fi" Tonight and the Chautauqua Ends Saturday.

Washington music lovers were given a rare treat indeed at the Chautauqua Thursday night, when the crowning event of the Chautauqua, the San Carlo Grand Opera Company, of 35 members, presented excerpts from famous operas.

Realizing the rare musical treat in store for them, Washington and Fayette county citizens packed the huge tent and in fact all available seating capacity outside of the tent, enjoying to the fullest extent each scene and the work of each member of the big company.

The big audience was evidence that Washington and Fayette county citizens love the best talent obtainable.

This famous grand opera company includes among its members a number of the leading soloists of the recent grand opera seasons, as well as a number of new singers recently added to the cast.

The work of the entire company was of the very highest type, and the program presented was indeed a choice one.

Impresario Fortune Gallo may well be proud of his company, which presented acts from such well known operas as "Carmen," "Lucia de Lamermoor," "Faust," and "The Barber of Seville," in a manner highly artistic and characterized by precision, fine expression and marked attacks and climaxes.

The beautiful scenery, elaborate wardrobes and almost faultless work of the orchestra combined with the rare ability of the members of the cast in rendering the performance the best ever given in this city, even surpassing the work of the same company last year, although one or two characters were not as strong as last season. The presentation, as a whole, was much above that of last year. Chevalier Carlo Peroni's solo, Meditation from "Thais" by Massenet was a most pleasing part of the program. The orchestral work was exceptionally fine.

The number of single paid admissions was in excess of that of last year.

This is "Children's Day" and tonight the musical pageant "Fi-Fi of the Toy Shop," with a great many local people in the cast, will be presented, and Fred G. Bale, of the Columbus Juvenile Court will lecture on "The Fiddler and the Fire."

The entertainment tonight begins at 7:30. Saturday is the closing day, with plenty of music and entertainment. Elmer Crawford Adams, the violinist "who is different," Roseth Knapp Breed, Boston's woman humorist, and Rollo Hudson, gifted pianist, form the afternoon attractions, and in the evening Hon. Frances Neilson lectures on "The Future of Europe," and the closing concert by the Elmer Crawford Adams Company.

Are your clothes faded? Then use Red Cross Ball Blue; makes them look like new. All grocers.

French Tank Was "Stormed" At With Shot and Shell

FRENCH TANK JUST AFTER TAKING PART IN HOT ACTION

Frenchmen have been quick to recognize the possibilities of the "caterpillar" tractor, or "tank" in modern warfare, and have added their own machines to the British "tanks" engaged in cutting barbed wire and otherwise smashing the German line.

GOES TO SLEEP AUTO HITS POLE

While returning from White Oak M. P. Church, where he had been conducting services Thursday night, Rev. G. H. Harper fell asleep and his automobile went into the ditch, striking a telephone pole and injuring the driver very painfully.

Rev. Harper had been losing considerable sleep as result of attending services at the various churches on his circuit, and being alone he readily fell asleep while driving home.

The machine was not badly damaged, but the broken windshield inflicted severe gashes on both wrists of the driver and bruised him badly.

The mishap occurred along the fair grounds immediately southwest of this city.

BENEFIT CONCERT FOR RED CROSS IN XENIA

Over in Xenia, those active in Red Cross work are giving a benefit recital at the First United Presbyterian church.

In speaking of the talent that has been secured free of charge for the affair, the Xenia Gazette says: Mrs. Mary Meredith and Miss Emma Davidson have spent much time recently in study under famous instructors in New York. Both studied voice under Dr. Rubner, head of the music department of Columbia University. Miss Davidson returned home this spring after a winter spent in New York taking special studies in composition under Madame Corinne Rider-Kelsey. Mrs. Meredith and Miss Davidson have both studied under foreign masters as well as those in this country.

Patronesses of the Red Cross recital are greatly delighted at the list of artists they have been able to secure. Miss Hazel Gleason, of Van Wert, who will sing at the recital, arrives in Xenia Wednesday, and will be the guest of Mrs. James M. Carpenter, of North King street.

Every dollar subscribed hits the Mark—Wall Street Journal.

The "tank" is an American invention for peacefulness, but the fighting forces have added armor and machine guns and have converted it into a formidable fighting machine. The one in the picture is a French "tank" photographed just after taking part in a recent action.

ILL WITH TONSILITIS

Mrs. Mauna Straley Shockley, of Jeffersonville, piano representative of the Stinson Extension School there, and who was to have graduated in music next week, is ill at her home with tonsillitis. Her little daughter Roxie is also quite ill with appendicitis.

Clara Kimball Young and Earle Williams
IN

My Official Wife

Miss Young has not had a greater opportunity to show all her charms than in this very play which was so largely responsible for her rise to fame. In the impersonation of a Russian Nihilist, so clever that she would have accomplished the assassination of the Czar himself had she not overplayed her hand. How she thrills at her sinister task! How instantly she changes her expression from fear, aversion, horror, and contempt to the brilliant smile of the alluring woman who fascinates all men and makes them do her bidding. This is by far Miss Young's greatest work and look at the supporting cast Earle Williams, Harry Morey, Mary Anderson and Rose Tapley.

Shows at 7 and 8:30. Admission 10c

MONDAY—LILLIAN WALKER IN "GREEN STOCKINGS"

FEELS IT HIS DUTY TO TELL OF EXPERIENCE

Dayton Man Wants Others to Know How Tanlac Brought Back Health After He Was All Run Down.

"I have never recommended a medicine before in my life but I can't help saying a word in praise of Tanlac because I surely think it is a wonderful tonic for anyone who is run down," said John Miller, proprietor of the Dayton Pet Store, 319 Wayne avenue, Dayton, Ohio.

"Since the spring set in I have not felt like myself," he continued. "My sleep was more or less broken and I did not get my rest like I should. I got up in the morning almost as tired as when I went to bed. I also was bothered more or less from headaches and dizzy spells.

"My stomach was out of order and after eating I had a bloated feeling. I had to belch to get relief and this was often embarrassing. I have now used three bottles of Tanlac and all this trouble has left me. I feel just as good as I ever did. I sleep fine and get up feeling well rested. My stomach doesn't bother me any more and I never give a thought to food that used to make me sick. I don't have any more headaches and never get dizzy now.

"I am glad to recommend Tanlac because I know it will help others who are suffering like I was."

If you are in need of a good tonic get Tanlac today. It will do for you what it has done for thousands of others. You can get Tanlac at Blackmer & Tanquary's drug store, Frank Christopher's drug store or C. S. Haver's drug store. Advt.

OFFICIALS CHOSEN FOR OLD C. H. & D.

C. W. Galloway, who is vice president and general manager of the Baltimore & Ohio Western Lines at Cincinnati, was elected president of the Toledo & Cincinnati Railroad Company at a meeting of the incorporators and stockholders Thursday. Other officers elected were: George M. Schriver, vice president; A. W. Thompson, vice president; R. B. Luckey, vice president; R. A. Devereux, secretary and E. M. Devereux, treasurer.

The new directors of the company are: C. W. Galloway, C. L. Thomas, E. T. McLaughlin, F. A. Devereux, G. W. Squiggins, all of Cincinnati, and Duncan A. Holmes and Robert T. Swaine, of New York.

The articles of incorporation of the Toledo & Cincinnati Railroad Company were filed with the Secretary of State at Columbus. The authorized capital stock is \$5,000,000. The company was formed for the purpose of taking over the properties of the Cincinnati, Hamilton & Dayton Railway Company, which was bought at judicial sale by Mr. Holmes and Mr. Swaine on June 8, at Dayton, Ohio, on behalf of the reorganization managers of the Cincinnati, Hamilton & Dayton Railway Company. Following the filing of the articles of incorporation the Cincinnati meeting was held.

THE GERMANS YIELD GROUND

(By American Press)
London, June 22.—Sharp fighting featured the day on the French front. French troops in a violent counter offensive, regained nearly all the ground lost Tuesday east of Vauxaillon.

Although the Germans launched their attack with huge effectiveness, composed of picked troops, and covered it by a heavy artillery fire and by bomb-throwing air craft, their tenure of the captured positions was short-lived, and only a salient of 400 meters northeast of the Moisy farm now remains in their hands. In addition, heavy casualties were inflicted on the Germans.

Likewise in Champagne the Germans have been badly battered between Mont Carnillet and Mont Blond. In an attempt to recapture positions previously taken from them, the Germans first were repulsed by the French, who then assumed the offensive and then advanced their line on a front of more than 400 yards and to a depth in excess of 300 yards.

In the Russian theater, according to the Berlin war office, the artillery of the Russians and Austro-Germans has increased in activity in Volhynia and Galicia. At several points the Russians have attempted to carry out raids against the Teutonic fronts, but are said to have been everywhere repulsed.

On the Trentino front a battle of great proportions extends along the entire line from the Sugana valley to the Asiago plateau. It is in this region that the Italians are endeavoring to break through the Austrian line to one of their main objectives—Trent.

In Macedonia artillery duels are in progress on various sectors and there have been local engagements between the Bulgarians and British in the Struma valley.

French positions northeast of Soissons were stormed over a front of 1,500 yards by the Germans. It was announced by the war office. The French lost heavily, the report added. The attacks were delivered on the hotly contested ground just north of the Aisne river.

DIES IN ELECTRIC CHAIR IN PRISON

(By American Press)

Columbus, June 22.—Albert Clark, twenty-nine, convicted in Miami county of the murder of Harvey Hake, a Covington marshal, on Jan. 12 last, was electrocuted shortly after midnight.

Clark at no time lost control of himself, and immediately preceding the execution he prayed for forgiveness, and thanked Warden and Mrs. Thomas for kindness to him. Ministers spent the whole day with Clark yesterday. One of these was Rev. C. R. Vaughn, formerly of Troy. Mr. Vaughn visited Clark several times in the Miami county jail and yesterday assisted in baptizing the condemned man.

Hake was attempting to arrest Clark on a charge of non-support when the crime was committed. After the murder Clark barricaded himself in his home when the house was surrounded, but he surrendered, walking out, holding his youngest child in front of him as a shield. He leaves a widow and two children.

Clark was in good spirits during the evening and went to his death stoically. He had a specially prepared meal, the menu of which he himself chose. It included chicken and strawberries.

RED CROSS FUND OVER \$62,000,000

(By American Press)

Washington, June 22.—From sharp mid-week rivalries of many cities in the Red Cross \$100,000,000 campaign, about \$18,900,000 rolled into the fund yesterday, bringing the four days' total to national headquarters above \$62,000,000. New York city has produced more than \$27,000,000 and the remainder of the country \$35,000,000.

In spite of the generous outpourings, campaign managers sent this warning to local committees: "The second half of the week is the part that will tell the story. Do not grow over-confident."

Reports from the west showed unexpected activity, and placed that section third in standing, with about \$4,000,000. The north central division still held first place, with more than \$15,000,000; the middle Atlantic second with nearly \$10,000,000; New England fourth, with more than \$3,500,000, and the south fifth, with nearly \$2,000,000.

Except for a \$5,000,000 contribution, by the Rockefeller foundation accorded to New York city's total, most of the donations reported were from individuals and were comparatively small.

Cleveland is well past its \$2,500,000 goal and is trying to equal the donations of Chicago, whose goal is \$8,000,000. Committees in Kansas City, St. Louis, Cincinnati, Detroit, Indianapolis, Columbus, Toledo and Minneapolis sought information on the progress of the campaign in each of the other places. Mayor Puicha of Cincinnati wired: "Cincinnati will come across with more than her \$1,000,000 quota."

GIVEN LIBERTY

(By American Press)

Columbus, June 22.—James Johnson, colored, and Leon C. Smith, both of Franklin county, in the penitentiary for second degree murder, were pardoned by Governor Cox upon recommendation of the state pardon board. Pardons also were granted to Louis Gilmore, Muskingum county, first degree murder, and E. C. Morris, Clinton county, serving for forgery. All must abstain from liquor and remain away from saloons. Evidence in the cases showed the three murderers were drunk when they committed the crimes.

Johnson, who cut his wife's throat in 1912, must return to Kentucky and take care of his mother, who lives there. Gilmore similarly must go to take care of his mother, who lives in Tennessee. Smith has served nineteen years of his life sentence. He must report to the warden for three years as if out on parole.

IMPORTANT NOTICE TO COLORED MEN

Several prominent colored citizens of Columbus, Ohio, headed by Hon. Walter Ph. Thomas as chairman of the executive committee are, and have been organizing a colored independent regiment of infantry; the services of which will be offered to the state of Ohio, or to the United States Government through the official representatives of our state.

They would like to have their reports complete by July 7, 1917. All the world loves a brave soldier. Will you do your bit in this world-wide struggle?

All men who have registered can volunteer up to the time that conscription is actually put in force.

Said requirements will mobilize at Columbus, Ohio and all officers will be colored Americans. The Colonel no doubt will be Chas. Young, Lt. Col. of Columbus U. S. A.

All colored men between the ages of 18 and 45 who desire to enlist call on Alonzo T. Anderson at his barber shop 111 S. Fayette street, Washington C. H., Ohio where you can enlist, and be given any information desired regarding same.

CAN EAT ONIONS PIE, CABBAGE AND CAKE, SHE SAYS

But 'Twas Vastly Different With Mrs. Keener Before Nerv-Worth Came.

Only those persons who have gone through the happy experience recorded in the following statement can fully realize the deep pleasures of the table. One must have suffered severely from indigestion and then found a way to eat without distress if he wants to know what the enjoyment of meals really means. Mrs. Parthena Keener, of Montana Mines, near Fairmont, W. Va., found such enjoyment by the use of Nerv-Worth, as the following letter, which she wrote some time ago to her Fairmont druggist, fully proves:

"I have taken three bottles of Nerv-Worth and it has helped me wonderfully. I was so nervous that I could not stand the noise of children playing. I now can eat onions, cabbage, cake and pie. I can now sleep nine hours.

(Mrs.) "PARTHENA KEENER,"
Montana Mines, W. Va.

Your dollar back at Christopher's drug store or Brown's drug store, Washington C. H., if Nerv-Worth does not help you as it helped Mrs. Keener. Ask for the new Nerv-Worth Laxative Tablets, 25c a box. Wonderfully good for liver and bowels, especially in connection with Nerv-Worth, the Tonic.

Advt.

KNIGHTS OF PYTHIAS
